

MARCH
'89

NEWS WAVES

Greetings! and welcome to our very first edition of the Sandy Point News Waves. At our annual General Community Group meeting on 3rd March at the hall, we shared a pleasant evening and a basket tea before the formal proceedings began.

Main Office bearers for 1989 are:

President: Norm Smith, Vice Pres: Chris Allan,
Treasurer: Graham Thomas, Secretary: Mary Mackieson.

All future Community Group Meetings will take the form of a public social evening on the 1st Friday of every second month. Please come along and join us if you can.

IDEAS FOR 1989

- * Indoor bowls will recommence at the Hall in April. See Norm Smith for details. PL: 841-221
- * Help through service clubs in the area, is being sought for funding of a Sandy Point Information Board for visitors!
- * The Shire has been approached about safety of Heywood's corner - there really is poor visibility and lack of clear sign posts there.

Further News

The local fire station has been lucky enough to be granted a new fire engine. The new vehicle should arrive about 3pm. on March 23rd, so how about going along to cheer it in - perhaps even break open a bottle or two of champagne to celebrate it's arrival? See you there!

FOR THE KIDS

It was decided at our recent meeting, that some of our funds would be allocated towards buying some games and puzzles for the children who visit the hall. If you have any unused games or the like you could donate, please see Mary or Judy.

CONDOLENCES

Sincere condolences are extended to the Pilkington families on the recent passing of Nan, on Friday 10th March 1989.

MOVING ON

The Community Group would like to wish Julie, Brett and children all the best in their new venture on the farm. Good luck with your moving on March 17th.

CALENDAR

A calendar of Hall events will be distributed to residents in the near future - look out for one of these and post it on your fridge!

GOSSIP QUIZ:

Q1. Who's the local lady - a well known "continental cake maker" - who's buzzing around the estate learning to drive? Be sure to wave to all small green cars with L. plates!

Q2. Who's the other local lass who recently won 3 ribbons for riding in the Foster show? Is it true that her "strapper" is walking around with blisters on his legs because of all the hard work she put him through before the big day? Beats building any day, doesn't it Tassie?!

Q3. Does Greame Thomas really know how to use a chainsaw?!

Thanks to the quick-thinking actions of Laurel and Ham in saving the Cardilini abode from fire last week.

(P.S. What do Debbie + Colin really get up to on R.D.O.'S?

🎶 ♪ HAPPY BIRTHDAY TO YOU ♪ 🎶
