

ALL POWER TO THE CAFÉ

Isn't it great to have the café, Sandy Toes and Salty Kisses back open? People are thoroughly enjoying being able to have their take-away coffee and by all the reports that I have heard the food is not bad either! I know of one fella who ordered a burger with the lot and could hardly finish it! But he battled on regardless, and if you want to order some take-a-way you can always ring them on 5684 1288.

Personally, I had some fish and chips and once again we were unable to finish everything. Yes, the portions are very generous. Come next week they will also be serving fried rice and curries, so that is something to look forward to. For the moment, the Café will be closed Monday and Tuesday but from each Wednesday they will be open from 8am through to 8pm. Then come Monday 21st September they will be open every day, which will be especially good to know.

Naturally, we are all hoping that restrictions will be lifted soon, so that we can all enjoy a sit-down meal in the café. But in the meantime, it will have to be take-a-way to enjoy at home.

However, it does sound as though playgrounds will be opened in time for the school holidays, but it does beg the question as to whether visitors will be allowed to travel so that they can enjoy them. But at least it seems that regional areas will be opened up sooner than the Melbourne area. This will be good news for the Café, at least. Although, the outside seating could be a problem for them.

Other than the news of the café opening, little else has been happening in Sandy Point. We are all getting used to wearing our masks, which is something which we will all have to get used to for quite a while longer. But it would be good if these protesters, not wearing masks, would desist.
