MARCH '90

Welcome to the 1990's - a new decade and a new-look Sandy Point! We've got lots of challenges to meet in order to put our beautiful area well and truly on the Shire map.

All the local committees have been particularly busy lately - especially with the Marine and Coastal Park proposed management plan. It was really great to see so many people united in their support for our local groups at the meeting on Friday March 2nd. By coming along to these gatherings and giving your opinions and ideas, it all helps to get things done.

Anyone who has any views on such issues as the litter problem in the area, the main beach track, the beautification of the foreshore area near the shops, or the general management and organization of local affairs - please pass on your opinions to Graeme Thomas, Terry Haines, Judy O'Sullivan or Sue Allan.

The CF&L and Foreshore Committee have organised a
clean-up day from 9.30 am on Sunday
March 11th at the Shallow Inlet picnic area.
Volunteers will be provided with collection bags
and gloves - and everyone is encouraged to
participate in this most worthwhile activity.

Welcome to new residents of Sandy Point. There's
David, Sue and Mick living over on the Sandy
Point Rd, and to Barbara Baker who has
moved in on Beach Parade. Looking forward
to seeing you all at the hall really soon!

contact Sue on 841-335 or Judy on 841-318.

We need to organize a social calendar of events
for 1990. We need your suggestions. So far, the
only suggestions are - a nude car rally, a
lingerie party for men, and the list gets worse!
But seriously - if you'd like to offer ideas

Gossip Column.....

We have a very generous lady who owns the local store. On hearing that her workmate had no tea for her husband that night - cooked her up a luscious meal for her to take home..... But - do you know what that generous lady served her own husband for tea that night? - TOASTED SANDWICHES! Ron's not sure where Irene's heart lies!!

We also have another "nag" working at the store - don't turn your back on her for long - you never know what she'll put on it! Don't worry Maxine - you'll get yours!

The Annual General Meeting of the Community Group has been postponed until our current President Norm Smith returns to Sandy Point in good health. We are looking forward to his return and send him continued best wishes for a speedy recovery.

BABY NEWS - The Campbells are expecting their new addition any moment - best wishes to you all. Also congratulations to Colin and Debbie on the news of their baby which is due in August. Hope everything "pops out" okay for you Debbie!

Congratulations to Robert O'Sullivan on his 18th birthday. Beware - Robert's on the road not another O'Sullivan!!!
